YOUR SPECIALIZED LANGUAGE PUBLISHER

VISTAHIGHERLEARNING.COM

At **Vista Higher Learning**, we dedicate 100% of our resources and energy to developing content and technology that supports your passion to empower all learners to be successful in school and beyond. Our focus is on creating the highest-quality integrated print and digital solutions that meet the needs of all language learners—those learning a new language, improving a second language, or perfecting their native language.

We welcome you to explore our English Literacy programs:

Discover Phonics for Foundational Literacy is a dynamic, fully interactive print and digital K–3

English language arts foundational skills program designed to build the phonemic awareness and phonetic skills children need to become strong, lifelong readers. Engaging songs, manipulatives, decodable readers, media, and hands-on games and activities motivate and teach children as they embark on an adventure to discover (and master!) the amazing world of phonics.

Connect is a comprehensive, standards-based literacy program designed specifically for elementary school English learners, K–6. This powerful print and digital solution develops academic language and literacy skills through authentic texts and content-driven lessons, while addressing the proficiency needs of every student. **Connect** promotes a *Content and Language Integrated Learning* approach (CLIL).

For middle-school 6–8, **Bridges** to Literature and Content is a comprehensive, standards-based literacy program designed to empower secondary students to become stronger independent readers. This powerful print and digital solution develops academic language and literacy skills through authentic texts and content-driven lessons. As **Connect**, **Bridges** promotes a *Content and Language Integrated Learning* approach (CLIL), as well.

As our commitment to promote language learning, and that is why we have launched a podcast series called **The Language Imperative**. This series is moderated by

Norah Jones and focuses on in-depth conversations with award-winning language educators. You can access the podcasts through the following link:
